Congratulations on your purchase of Cisco’s SMARTnet Technical Services!

This document provides information on maximizing your investment in Cisco internetworking products through the industry’s leading service and support program. Please read the following information carefully and keep a copy for future reference. If you require additional information please contact your Cisco reseller or Cisco representative. Your service contract has already been electronically registered for this service agreement with Cisco Systems Inc. The service contract registration does not register the products, only the contract itself. You must add the products to the contract as specified before.

The entitlements of this service agreement, the support Terms and Conditions, and instructions on how to use this service agreement are outlined below.

Please register any and all products covered under this contract that will require service (hardware, software or technical support from Cisco Systems, Inc. Please go to Any products not registered in the right location will require registration previously to receiving the service and this could create additional delays to the resolution of any
