

IMPORTANT: READ CAREFULLY

Dear Customer,

This document contains information about your purchase that may require you to take further action in order to fully utilize your software. Please read below carefully, and permanently store this document for your records. The product affected will be listed below as Product Name. Please note that the instructions below may include steps which require acceptance of additional usage terms and conditions.

Product Name

L-CES-APPC-LIC= Cisco CES Advanced Phishing Protection with Cloud Sensor

The order has been processed and provisioning is being initiated. An engineer will be contacting you to complete the final configuration of the email services. At the end of the configuration process, you will receive a welcome letter via email with the login information for the environment and method of receiving support.

If you have any questions please reach out to your Sales Engineer and/or Account Manager.

Thank you,

Cisco Cloud Email Security
