Annexure –II: Terms & Conditions for PO

Performance and Delivery

1. Supplier shall follow the supplier code of conduct.
2. Supplier shall deliver the Deliverables in accordance with this Purchase Order (PO)
3. All the charges (like Loading, Packing, Forwarding, cartage, freight charges, duty etc.) to deliver the PO will be borne by the Supplier unless otherwise stipulated in the PO. Risk and title in Deliverables shall pass on to Buyer after accepting the Delivery.
4. All Deliverables under this PO shall be delivered at place/places as specified in the PO and within the time specified herein or as communicated by the Commercial department of Buyer by separate delivery schedules. The Supplier agrees and accepts that, in case Supplier commits delay in delivery of Deliverable, which is not approved by Buyer, the Buyer shall without prejudice to any other rights or remedies, have a right to recover the Liquidated Damages from the Supplier as may be specified in the PO/Contract, in absence of which, it will be 0.5% of PO value per week for which whole or part of the Deliverable remains undelivered; subject to maximum of 5% of the PO value unless otherwise specified. In case Liquidated damages is specified in PO/Contract, then those would supersede the LD clause mentioned here. Willingness to pay or suffer liquidated damages shall not relieve the Supplier from requirement of timely execution and delivery.
5. All Deliverables shall be securely packed against theft and damage during transportation and such packaging shall conform to the specific instructions of Buyer, if any.
6. The Supplier shall ensure that the transportation of Deliverables complies with applicable state, national and international regulatory and safety requirements. If dispatches are undertaken by freight forwarders, an extra copy of G.C. Note, Airway bill, e-way bill, Bill of Lading or Freight Note must accompany the Supplier invoice/delivery challan, depending on the mode of transportation. The copy shall bear Buyer's name as consignee or if it is in the name of Supplier, necessary endorsement must be made in Buyer's favor. The description of quantity and weight of such G.C. Note etc. should tally with that of the Supplier. Supplier will be responsible to ensure the correctness of all documents supporting the delivery of goods.
7. Supplier must ensure that Packing list is shared with buyer (soft and hard copy both-in advance) along with delivery of material which must contain Manufacture Part nos. and Manufacture Serial nos. of the material supplied. Vendor shall also share the same in MS Excel format at the time of material handover with VIL Circle Buyer and VIL Warehouse SPOC.
8. The Buyer assumes no obligation to Deliverables in excess of those for which PO was placed.
9. "The fulfilment of the membership/subscription (as applicable) will be the sole responsibility and liability of the Supplier/Vendor. Any claims relating to the membership/subscription/coupons will be the sole responsibility and liability of the vendor/supplier.
10. On redemption of the coupon an independent contract shall be created between the Buyer's customer and the Vendor/Supplier with regard to the membership/subscription. The Buyer's customer will be governed by the terms and conditions available on the app/website of the Supplier with regard to the membership/subscription."

Price, Invoicing, Payment and Expenses

11. Buyer may set off any sums owed to Buyer by Supplier against the Price.
12. Invoice should be submitted for:
 - a) Supply Items: along with delivery of goods
 - b) Work related Items: Within 7 days from the date of completion and final certification of work, the Supplier shall raise the invoices on Buyer on regular basis as per agreed terms without any delay.The Supplier agrees and accepts that in the event the invoices are not raised and submitted to Buyer within 30 days from the date of Supply (for goods) or 5 days from date of completion / acceptance (for services) as the case may be, the Supplier will provide suitable reasons for not being able to submit the invoices within due dates. Buyer may review the same and provide further grace period of 30 days.
In the event the invoices are still not received, then Buyer will not be liable for any defaults due to delays, which may subsequently take place, in effecting payments. In no case the buyer shall be liable to pay for any invoices /claims that are older than 2 Years, (reckoned from the date of completion of services/delivery of supplies) In certain cases, especially where inordinate delays take place over multiple Fiscal years, it may be difficult for us to make the payment.
13. The PO value is inclusive of all applicable taxes until or unless stated otherwise (except tax applicable on Supplier's income which Supplier has to pay or any liability in this regard), costs and expenses of whatever nature unless otherwise stated in the PO.
Supplier to ensure that the Invoice reaches Buyer within ten days from the date of the invoice. Further, Supplier shall retain the acknowledgement of the receipt of such invoice for future purpose.
14. Supplier shall send original invoice with correct HSN codes and applicable taxes (meeting all requirement of relevant tax authorities and Buyer), mentioning the PO no. and Delivery Challan copy along with all required documentary evidence establishing proof of origin of Deliverables to Courier Address as mentioned in the PO. Buyer declines all responsibility of payment where proof of delivery effected cannot be given towards satisfactorily supply of Deliverables. Invoice related queries shall be submitted by the Supplier to by emailing to businesssupport.in@vodafoneidea.com or calling us on +9179-71715111 between 10.00 am to 2.00 pm from Monday to Friday.
15. Payment for the invoices submitted by the suppliers will be processed as per the payment terms mentioned in the PO. Variations to these terms, if any, will be specifically highlighted in the PO/ Contract in specific cases and shall supersede those mentioned herein. If there has been any material breach of this PO by Supplier, Buyer shall be entitled to withhold payment until the breach is rectified.
16. The invoice of the Supplier shall contain all the particulars as specified under the GST Law. Further, Supplier to upload / submit / furnish his GSTR-1 return within stipulated time to enable buyer to match the same and avail input credit.
17. Buyer shall release the payment of GST component of the invoice only after the input credit of the GST component has become eligible and available to the Buyer after the due process of matching of invoices in the GSTN portal. This covers mismatch cases attributable to Supplier as well validation from e-invoicing perspective including generation of IRN and QR code on the invoices as applicable.
18. The Supplier hereby covenants to comply with the applicable provisions of law, including but not limited to section 171 of the Central Goods and Services Tax Act, 2017 or applicable section of IGST/UTGST/SGST law, and pass on to the Company all the benefits arising from any reduction in the rate of tax on any Deliverable or the benefits of input tax credit, exemptions, concessions, rebate, set off, by way of reduction in the prices of the Deliverable undertaken by the Supplier as per this PO or original agreement executed with the Supplier.
19. If Supplier incorrectly charges any applicable taxes to Buyer, Supplier shall repay such tax amounts to Buyer together with related interest, penalties and costs within 30 days of the error being identified. It will be the responsibility of supplier to resubmit the new invoice with correct details.
20. In the event that Buyer is required by law and/or government authority to deduct withholding tax or any other amount including, without limitation, employees provident fund or other statutory dues applicable to Supplier, Buyer shall deduct such amount from the Price and Buyer shall: (i) pay the Price less withholding tax and other amounts required to be deducted by law and/or government authority; and (ii) provide evidence to that it has passed the withholding tax on to the relevant authority.
21. Supplier warrants that it is tax resident in its country of incorporation.
22. Vendor invoice should be raised in accordance with the provisions of IT Act, 2000

PO No: 3300013759 Date: 25-SEP-2024

Warranties

23. Unless otherwise specified in this PO, Supplier warrants that each Deliverable and Service shall be free from defects (save those caused by normal wear and tear) for 24 months (or in the case of software for 12 months) from delivery (or such other period as may be expressly stated in writing in the PO). Any claims accepted by the Buyer arising from the defects in Deliverables supplied by the Supplier, within warranty/guarantee period - will be passed to the Supplier for similar acceptance. Buyer's decision in this matter shall be final and binding on the Supplier.

24. Supplier at their end shall maintain an inspection, testing and process control system acceptable to Buyer covering the supply and work which will be rendered to Buyer; to ensure compliance with this PO and supplier shall keep complete records available to Buyer for three (3) years after date of completion of this PO. Acceptance of such system by Buyer shall not alter the obligations and liability of Supplier under this PO. The fulfilment of PO by the Supplier to Buyer will not constitute acceptance by Buyer. Only after inspection and satisfactory test by Buyer acceptance of the deliverable will be completed and communicated to the Supplier and till such time the deliverable shall remain with Buyer on Supplier's 's account on approval basis only. All deliverables accepted are subject to final approval of Buyer regarding quality and specifications. Buyer reserves the right to reject, if further defects are noticed, even if in the first instance the deliverables have been accepted by Buyer and payments made. Decision about such rejections at whatever time made shall be final and binding upon the Supplier and the Supplier shall not object to it in any manner whatsoever. All packing, freight and handling cost or any other cost of such rejected material will be borne by the Supplier.

25. All Deliverables shall be of the best quality and workmanship and shall in all respect confirm to Buyer's requirements and warranties as specified in the PO. Deliverables supplied must be according to the sample previously approved by the Buyer. Buyer shall be entitled to reject the Deliverables which in its opinion are not according to the sample. If the Deliverables are not approved by the Buyer for any reason whatsoever, the Buyer shall not be liable to pay the price of such rejected Deliverables.

26. For import consignment "Free of Charge" Replacement under warranty / guarantee must be provided by Supplier. This results in Supplier paying Customs duty and incurring clearing expenses. Similarly in the case for "Short Shipments" i.e. "Free of Charge" Replacement Supplies "Delivery Duty Paid" (DDP) to the named place of destination.

27. Supplier/Vendor confirms that it has necessary 'back-to-back' arrangements with the service provider to honor the membership /subscription."

Termination

28. All rejected Deliverables shall be taken back by the Supplier, at its own cost and expense within maximum 7 days of intimation of rejection by Buyer and such rejected Deliverables shall under all circumstances lie at the risk of the Supplier from the moment of such rejection and Buyer shall not be liable in any manner for shortages, quality deterioration or for any reason whatsoever. In such event, the Supplier shall either refund the advances if any, made under this PO without any delay. Or The Supplier shall replace the rejected material/services within maximum 7 days from the date of receipt of the Buyer's report of rejection at the place of delivery specified by the Buyer Otherwise. In case Supplier is not able to fulfil the deliverables as per time specified above, Buyer has a right to buy the product/ services from open market (from other sources / Supplier) on Supplier's account and the respective amount will be deducted from the invoice or debited to the Supplier's account.

29. Cancellation For Default: Buyer shall at all times have the right to cancel the PO for the Suppliers' default OR failure to fulfil the obligations under the PO in whole or in part OR if the Supplier refuses or fails to comply with the provisions of the PO OR fails to make progress as to endanger performance and does not correct such failure or default after written notice within 7 days of receipt or fails to fulfil the Deliverable in the time specified, Buyer also reserves the right to cancel or amend the PO, if there are any rejections or escalation in price, without, in any manner, incurring any liability. In such an event Buyer may get the whole or residual part of Deliverable done from other Supplier at the risk and cost of the existing Supplier. In case of cancellation of PO owing to failure of Supplier, the amount due to him on account of deliverables effected by him, if payable, shall be paid to him only after due recoveries as per provisions of PO, and that too after alternative arrangements to fulfil the Deliverable has been made. Additionally, where Supplier is the breaching party, Supplier shall repay within 7 days any part of the Price which has been paid and Buyer may return any Deliverables to Supplier (at Supplier's expense)

30. Cancellation due to Liquidation: In the event of the Supplier going into liquidation or winding up their business, or making arrangements with their creditors or failure to observe any of the provisions of the PO, buyer shall have the right to cancel this PO forthwith in addition to any / without prejudice to any other rights or remedies. Buyer will also be entitled to claim from the Supplier any costs or expenses or losses that buyer may incur by reasons of the breach of the PO or the part of the PO by the Supplier. Buyer also reserves the right to divert the balance PO to any alternate Supplier as may be deemed fit and proper at any time during the pendency of the Supplier at the sole risk, cost and responsibility of the Supplier, if the performance is found to be unsatisfactory and is detrimental to the interest of Buyer.

31. Cancellation owing to change in Buyer's operational need: This PO shall be made on express understanding between the parties that should at any time during the PO execution, substantial change in operational needs occur, making it impractical for Buyer to take Deliverables provided as estimated at the time of conclusion of this PO, buyer shall notify such change to the Supplier promptly and on such notice both parties may meet immediately in order to bring about an agreement satisfactory to both. In the event that no such agreement is reached, this PO shall stand cancelled without any financial implications on either side without prejudice to the rights of either parties on any matter pertaining to the performance of the PO prior to and/or up to such cancellation. If the PO is cancelled because of any reason stated here, Buyer reserves the right to invite fresh offers for the whole or balance portion of the Deliverable and the Supplier will not be entitled to any claim by way of damages or compensation in respect of the Deliverables thus cancelled. In the event these cause or causes continue to exist for a maximum of three (3) months or more the non-defaulting party may, at its option, suspend or terminate this Agreement by giving notice upon default to that effect in writing to the other part in an appropriate manner.

32. "Any on-going membership/subscription available to the customers via the coupons shall continue post termination and Supplier/Vendor shall ensure continuity of the service without any interruption to the customers till the validity of the membership/subscription."

Indemnity

33. Supplier indemnifies Buyer and, its respective directors and employees, against all losses, liabilities, damages, claims and costs relating to this PO in connection with:

- a. Any breach by Supplier to perform any of its representation, warranties, undertaking or other relief arising out of any claim that the Deliverables may have suffered as a reason of any process, technique or means of manufacture adapted by Supplier

h. Any violation of provisions of TCS as per section 206C(1H) of the Income-tax Act, 1961 read with Rule 31AA of Income-tax Rules, 1962 dealing with filing of quarterly TCS returns or capturing the TCS in the right Tax account number of VIL due to which TCS credit is not fully/ partially passed on to VIL.

34. "Any claims against the Buyer from the customer or third party with regard to the coupons and membership/subscription."

Limitation of Liability

35. No limitation applies in respect of Indemnity Clauses b, c, d (above). Except where liability cannot be lawfully excluded, each party's maximum aggregate liability in relation to any other claims relating to this PO shall be limited to the greater of (i) the Price; or (ii) value of the agreement to which this PO relates; or (iii) INR 50,00,000.

a. The parties will keep in confidence any confidential information (including customer data) obtained under this PO and will not, without the written consent of the other party:

a. Supplier shall not disclose any commercial, technical or other information furnished by the Buyer, pursuant to this Agreement, to a third party or to the general public.

b. Supplier shall not use or cause to be used the information furnished by the Buyer under this Agreement

c. Supplier shall not advertise or publish in any manner that is contracted to or is, or has been, supplying goods to the Buyer

The parties will use confidential information obtained under this PO only for the purposes of this PO. These restriction shall survive from the date of this PO and until two years from the earlier of the date of termination or completion of this PO. The obligations shall not apply to information which: (a) has been published other than through a breach of this PO; (b) is lawfully in the possession of the recipient before the disclosure under this PO took place; (c) has been obtained from a third party who is free to disclose it; or (d) which a party is required to disclose by law or for the purposes of a regulatory authority.

36. Trademarks of which the Buyer is either registered proprietor or registered user shall, if so approved by the Buyer, be used only on the goods to be supplied to the Buyer and in the manner elaborated by the Buyer. Their use, in any manner, with relation to the products of the Supplier and not for use by the Buyer shall be strictly prohibited and in the case of violation of this condition the Supplier shall be liable to strict legal action. Unless otherwise agreed between the parties hereto, all tools, equipment, dies, jigs, specification and other material (except that of Supplier as defined below) or every description furnished by the Buyer to Supplier or paid for by Buyer shall be and remain the sole property of Buyer and shall be plainly marked and/or otherwise clearly identified as property of Buyer. Such property shall be stored separately, apart from Supplier's own property and except only reasonable wear and tear, such property in the possession of Supplier shall be kept at Supplier's risk and Supplier shall be responsible for all maintenance thereof. At Buyer's request such property shall be insured at Supplier's cost to an amount acceptable to Buyer with loss payable to Buyer. Such property shall be used only for the purpose of and in connection with this Agreement. Such property shall be subject to Buyer's inspection at any time during business hours. The property shall be placed in Buyer's immediate possession on demand and returned upon expiry or termination of the agreement.

37. The goods manufactured by the Supplier on the basis of any data/drawing/design furnished by the Buyer must not be sold or divulged to any other party. If the Supplier manufactures excess quantity of goods than the order placed with him, he shall reserve the same for ultimate sale to the Buyer on its demand. On no account shall the Supplier sell the goods to any other party except with the written consent of the Buyer. The same condition applies to the supplies rejected by the Buyer at various stages.

IPR

38. Supplier grants to Buyer free of charge the unrestricted license to use Supplier's pre-existing IPR as necessary for Buyer to receive, hold and make use of the Deliverables and otherwise to fully and freely exploit any New IPR, which shall include without limitation, the right to: (a) make back-up copies of any Deliverable; and (b) modify or adapt any Deliverable to correct any errors or improve operation for interoperability. Supplier shall notify Buyer in writing if it wishes to make use of Third Party IPR and shall obtain all necessary permissions in respect of such Third Party IPR to enable it to perform its obligations under this PO and to allow Buyer on an unrestricted and free of charge basis to receive, hold and make use of the Deliverables and otherwise to fully and freely exploit any New IPR. Buyer may grant sub-licenses of the licenses granted in above two clauses to third parties providing services to and receiving services from Buyer in connection with the Deliverables. In case where Supplier is providing defined services under the PO, any new IPR created during such provision of services shall be treated as works made for hire and the ownership of such IPR shall transfer to the Buyer upon payment and the Supplier shall without demur execute any necessary agreement to the effect.

39. Supplier shall at Buyer's reasonable request and cost deposit all source code relating to software (save for commercially available Third Party IPR) necessary for the full enjoyment of the Deliverables with a recognized independent third party escrow agent under the agent's standard escrow agreement.

40. Supplier shall not make use of any open source software in a Deliverable without Buyer's prior written agreement.

41.
