Invoice Submission

To ensure payment of the Invoice, we encourage you to submit invoices using electronic methods:

- CSP: Using the [Coupa Supplier Portal](#)(CSP), where you can flip a PO into an invoice. CSP requires registration.
- SAN: Using the System Actionable Notification "Create Invoice" button in the PO email notification to generate the invoice. Coupa registration or logging in is not required.
- cXML: Using system to system invoicing capability.

e-Invoicing has faster processing times than emailing your invoices. In addition, invoice payment status can be viewed on the CSP. You may request CSP access by contacting us at the [Molex Indirect Supplier Support Site](#)
