GST Compliance:

IGST or CGST+SGST will be paid as applicable at the time of invoicing and payment.

The service provider should raise the invoice on the state where the services/products have been delivered.

Exide Life has GST registration in most of the states and refer Annexure for the particulars.

IGST billing on our Head office in Bangalore, Karnataka, should be done only if the services/products are delivered in those states where Exide Life do not have GST Registration.

The service provider should be compliant to GST Taxation laws at all times, whether explicitly stipulated herein or otherwise.

In the event of non-compliance with GST regulations including but not limited to, non-timely disclosure of invoices, delayed uploading of the invoices onto the GSTN Portal and providing improper information which could lead to the denial of input tax credit for Exide Life, the Service Provider shall be liable for such losses suffered by Exide Life.

The service provider is required to raise e-Invoice if applicable as per GST Taxation guidelines and such invoices should contain the QR Code and IRN details.

All invoices (tax invoices as well as eInvoices) will be paid after verification of uploading of GST invoice details in the GST Portal.
