Scope of Work:	Connectivity Network Managed Services are both remote and onsite for all 21 Cisco devices. The Connectivity NMS starts from the date of P.O. and service reports will be shared for each service visit mentioning work done details for onsite visits. Quarterly service reports will show the complete lists of tickets raised, attended and closed including remote and onsite services. The devices are all covered with Cisco Smartnet contracts upto Aug 2025 and hence that is not the scope of this P.O and only limited to Connectivity NMS for this P.O.
