IBM standard purchase order terms and conditions

Agreement documents: This Purchase Order (PO), any attachments made a part of this PO, and any documents or clauses incorporated by reference into this PO are the sole and exclusive agreement of Buyer and Supplier for the products and/or services in this PO, and no other document, including the Supplier's proposal, quotation or acknowledgment form, will be part of this PO, unless specifically agreed to in writing by Buyer. Terms contained in the Supplier's response to, or acknowledgment or acceptance of, this PO, if any, that are additional to, or different from, the terms set forth herein (which terms would constitute a counter-offer by Supplier) are specifically rejected by Buyer. Buyer's offer to purchase as provided in this PO may not be modified by Supplier counter-offers. Notwithstanding the foregoing, if this PO is deemed an acceptance by Buyer of a Supplier offer or counter-offer, then such acceptance is expressly made conditional on Supplier's assent to all of the terms of this PO, including those that are additional to, or different from, the terms of Supplier's offer or counter-offer. The terms and conditions of this PO are subject to change without notice.

Prices: If the PO does not include pricing, the price for the products and/or services provided hereunder will be Supplier's lowest prevailing market price for such products and/or services. Supplier is not entitled to reimbursement of expenses incurred in connection with fulfilling this PO, except as otherwise agreed in writing by Buyer.

Supplier shall be solely responsible for charging appropriate Indirect Taxes and timely depositing the same with the relevant authorities to the extent the Supplier is statutorily liable. Any interest, penalties or recoveries by authorities on account of default by the Supplier to be solely borne by the Supplier on its own account. Supplier shall be solely responsible for issuing and making available to Buyer all requisite documents in the manner prescribed under the GST Laws including but not limited to invoices, advance receipt vouchers, credit notes, debit notes, e-permits and way bills. In case any credit, refund or other benefit is denied to Buyer due to any non-compliance by Supplier (such as failure to upload the details of the sale on the GSTN (Goods and Service Tax Network) portal, failure to pay GST to the Government etc.) or due to non-furnishing or furnishing of incorrect or incomplete documents, Supplier shall reimburse Buyer the loss including, but not limited to, the tax loss, interest and penalty. In case Supplier fails to reimburse the amount within forty-five(45) days from the date of intimation thereof, IBM India reserves the right to set off such losses, interest and penalty from the outstanding payable or initiate appropriate legal process for recovery of the same.

Buyer shall deduct applicable taxes under the provision of the Income tax Act on payments made to Supplier hereunder and shall be required to remit to Supplier only the net proceeds thereof.

Terms of payment and acceptance: Unless otherwise mandated by local law, the terms of payment are net 60 days after receipt of Supplier's valid invoice or after receipt of the products and/or services, whichever is later. Payment will not be deemed acceptance of products or services, and such products or services will be subject to inspection, test, acceptance or rejection. At Buyer's option, Buyer may reject products and/or services that do not comply with Buyer's acceptance criteria for a refund or require Supplier to repair or replace such products or re-perform such services without charge and in a timely manner. Buyer may return non-conforming products to Supplier at Supplier's expense.

Termination: This PO may be terminated by Buyer with or without cause. Supplier's breach (or IBM's reasonable belief that Supplier has breached or is likely to breach) of the Ethical Dealings provision constitutes a material breach of this PO and, in such event, IBM may terminate this PO immediately on written notice to Supplier.
