TERMS & CONDITIONS

- Deliver training as per the schedule.
- Share course material, supporting reference, exercises, and other related material for the training with us if required.
- Please do record the session without fail.
- Post training support for one week.
- Extend support and necessary guidance for making this training successful.
- We would be soliciting participants' feedback at the end of the first day. If the average score is unsatisfactory, we will be calling off the training and you will not be reimbursed for the service rendered as we would require either refunding the participant or arranging a different trainer.
- Post completion of a workshop a Purchase Order will be initiated for which an invoice can be raised.
- Payment will be processed within 30 business days of receiving the invoice - after the training is successfully conducted.
