Dear Sirs,

Sub: Connectivity Managed Services – Co-hosting.
Ref: Your Proposal for Co-hosting Services sent to us on 25th Sept 2020

Thank you for your Proposal as referred above and we are happy to appoint you as our Co-host for our Programs conducted on the CISCO WebEx Meeting Suit platform.

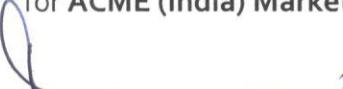

We agree that this service will be available to us at Rs.1000/- per hour of co-hosting provided. It will be billed to us on a cumulative basis at the end of every month. We expect Ms. Ashwini V. Gopal, the Head of your Customer Experience and Programs to personally handle the co-hosting of the events to the maximum extent possible. We have entered into this Service based on the competent way in which she handled our earlier sessions on the WebEx Platform. In case of an emergency in which she may not be available, we would like a an equally competent replacement for her.

We would also looking for support from you for resolving Level 1 and Level 2 technical problems that could come up during programs we conduct on the WebEx Platform for which as you are aware we have signed up for a year, starting from the 1st of October 2020.

The next event we are planning is 6 Sessions of Master Class on Entry Level Implementation, starting on 5th and going up to 16th of October. We would like your Co-host services for all the 6 Sessions (5th, 7th, 9th, 12th, 14th & 16th) for a minimum period of two hours per session, from 4.30pm to 6.30pm.

Looking forward to working together

Yours Sincerely,
for ACME (India) Marketing & Services Pvt. Ltd.
