"DAP - DELIVERED AT PLACE - DELIVERED ON SITE (named destination location)

This term can be used for any mode of transport, and also when more than one mode of transport is used. In this term, the delivery of the goods by the seller occurs when it is made available to the buyer, at the designated destination, in the transport vehicle, ready to be landed. The seller assumes all risks and costs for this delivery.

The customs procedures on exportation are on behalf of the seller, who has no obligation on importation or transit through third countries."
