**SERVICE STC**  
**SPECIAL TERMS AND CONDITIONS FOR ANNUAL MAINTENANCE CONTRACT OF NETWORKING DEVICES**

**1. Preamble**

A. All Annual Maintenance Contract of Networking Devices service-related contracts placed through GeM shall be governed by the following set of Terms and Conditions:

- General terms and conditions for Goods and Services. ("GTC")
- Service specific terms and conditions ("STC") contained in this document
- BID / Reverse Auction specific Additional Terms and Conditions ("ATC") as specified by the Buyer

B. The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede Service specific STC which shall supersede GTC, whenever there are any conflicting provisions.

C. This document represents the Special Terms and Conditions ("STC") and the Service Level Agreement (SLA) governing the contract between the Buyer and Service Provider. The purpose of this document is to outline the scope of work, stakeholders' obligations and terms and conditions of all services covered as mutually understood by the stakeholders.

**2. Objectives and Goal**

The objective of this document is to ensure that all the special terms and conditions are in place to ensure consistent delivery of services to the Buyer by the Service Provider. The goal of this document is to:

- Provide clear reference to service ownership, accountability, roles and responsibilities of both parties
- Present a clear, concise and measurable description of services offered to the Buyer
- Establish terms and conditions for all the involved stakeholders, it also includes the actions to be taken in case of failure to comply with conditions specified
- To ensure that both the parties understand the consequences in case of termination of services due to any of the stated reasons

This document will act as a reference document that both the parties have understood the above-mentioned terms and conditions and have agreed to comply by the same.

**3. Stakeholders**

The main stakeholders associated are:

1. Buyer: The Buyer is responsible to provide clear instructions, approvals and timely payments for the services availed as per the contractual terms
2. Service Provider: The Service Provider is responsible to provide all the required services in timely manner. The Service Provider may also include seller, supplier/bidder/contractor, any authorized agents, permitted assignees, successors, and nominees as per the context and as described in the document

The responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses payment terms and deduction in case of non-adherence to the defined terms and conditions.

**4. Service Scope**

Service Provider shall be fully responsible for Annual Maintenance Contract for all Networking Devices in terms of fault finding and supplying the spare parts. This will include ;

- a. Technical support and diagnosis in case of failure of network equipment and devices.
- b. Provision of standby devices in place of faulty ones to ensure minimum 95 % uptime in a month or any other value for uptime as specified by Buyer.
- c. Supply and replacement to the location where the faulty equipment or device is located
- d. Any software upgrades, updates and installation during the AMC period
- e. Preventive maintenance at a frequency as specified by the Buyer.

**5. Terms and Conditions**

**5.1 Buyer's Obligations**

- i. Buyer to provide model number, date of purchase, status of warranty etc along with the list of devices and their locations.
- ii. The Buyer will use UPS for ensuring stabilized power supply for operation of network
- iii. The Buyer would ensure that rats, insects etc do not invade the site and damage the systems especially cables etc. In case of any damage to the cables, unless specified by the Buyer as a requirement in the bid document, repair and maintenance related to cable related faults will be undertaken by the Buyer.
- iv. For critical devices or otherwise, Buyers shall define any specific SLA requirements for onsite response time and/or time within which device will be replaced by the Service Provider in ATC. If not defined by Buyer, response time and performance levels as defined in 5.2(i) will be applicable.
- v. Buyer shall raise complaints/breakdown calls either telephonically or by e-mail or in person at helpdesk setup established by the Service Provider at user premises as per conditions of bid/contract and escalation matrix provided by the Service Provider.
- vi. It is advisable to include Price Variation Clause in the long-term contracts to take care of the increase/decrease in prices of various ingredients which majorly affect the overall price of the service. Buyers are therefore advised to include the Price Variation Clause (PVC) in the bid document through ATC for long term contracts. The additional payment, if

any, on account of PVC can be done offline till such time online functionality is developed on GeM.

## 5.2 Service Provider's Obligations

- i. Service Provider must provide escalation matrix of telephone numbers for Service Support. The Service Provider has to supply the hardware parts and software required to rectify the hardware issues reported within the specified SLA levels.
  - a. Service Window - During Buyer's working hours or as defined by Buyer
  - b. Onsite Response time - Within 4 hours or as defined by Buyer
  - c. Period for replacement/repair - Next business day or as defined by Buyer
  - d. Break down Calls - Unlimited
  - e. Configuration Support & updates - As and when required
  - f. Preventive Maintenance - As defined by Buyer in technical specification
  - g. Attending for any other pre-scheduled maintenance Activities - As and when required
- ii. Service Provider should have sufficient resources for providing offsite and onsite support, to ensure immediate response and faster call resolution.
- iii. Wherever Authorized Service Providers are submitting the bid, OEM authorization certificate needs to be mandatorily uploaded by the Service Provider.
- iv. If required by the Buyer, The Service Provider would place asset number on each of the device/equipment being maintained by them.
- v. Service Providers should maintain a separate register with number/s of equipment along with details of rooms/location where these devices/equipments are installed. If there is shifting of the equipment/s under this AMC, the Service Provider will have to make changes in record accordingly.
- vi. Proper record of the complaints should be maintained by the Service Provider at each consignee location / user premises. The Service Provider is required to maintain the log sheet which will include number of services provided during the contract period with dates and part of the equipment got repaired or replaced, with its proper model number and necessary details. On request of the Buyer, Service Provider shall provide quarterly call log and resolution data on pdf/excel format.
- vii. If required by the Buyer, employees of the Service Provider may be required to sign a Non-disclosure Agreement/Integrity Pact.

## 5.3 Standard Terms and Condition

- i. The parts/components/sub-assemblies used for repair/replacement by the Service Provider will be of the preferably of same make and functional capability as originally available in the system. Alternatively, OEM authorised parts/components/sub-assemblies and/or parts/components/sub-assemblies of improved functional capability may be used for repair/replacement by the Service Provider.
- ii. The Service Provider should provide the following self-certification at the start of the contract. This is to certify that the Hardware and the Software being offered, as part of the contract, does not contain Embedded Malicious code that would activate procedures to
  - a. Inhibit the desires and designed function of the equipment.
  - b. Cause physical damage to the user or equipment during the exploitation.
  - c. Tap information resident or transient in the equipment/network.
- d. The firm will be considered to be in breach of the procurement contract, in case physical damage, loss of
- e. information or infringements related to copyright and Intellectual Property Right (IPRs) are caused due to activation of any such malicious code in embedded software.
- iii. The contract extends only to problems arising out of normal functioning of equipment and the contract does not cover break down arising out of damages caused due to fire, theft, riots, accidents, earthquakes, storm and other natural calamities.
- iv. This contract is made for networking equipment and devices procured by Buyer for its own use only.
- v. The Service Provider shall not subcontract the contract in whole or part to any entity without obtaining written consent of Buyer.
- vi. In case any of the device is under warranty, pro-rate unit price will be calculated to make payments.
- vii. The annual maintenance shall be carried out during office hours, primarily at the premises as specified in the work order. In case, the Service Provider feels that the equipment cannot be repaired at site, they should carry the equipment themselves to their designated service centre for quick prompt/repair & deliver the functional equipment back to user at their own cost and risk after getting it repaired promptly.
- viii. The Service Provider shall at all times ensure that the services being provided under this Contract/ Agreement are performed strictly in accordance with all applicable laws, orders, bye-laws, regulations, rules, standards, recommended practices etc, and no liability in this regard will be attached to the Buyer.
- ix. The Service Provider shall be fully responsible for the acts of their representatives / consultants/ team members and shall fully indemnify the Buyer for any kind of losses or damages caused by its team members/ consultants. The Buyer shall not be responsible for any claim from any consultant / team member employed by the Service Provider. The Service Provider shall wholly and fully be responsible for any such claims.

## 6. Payment Schedule

- i. The Payment procedure shall be as specified in the General Terms and Conditions (GTC) of GeM.
- ii. Payment schedule to be as per payment terms specified in bid document.

## 7. Formula used

Total Price = A\*B\*C/30 Where,

A = Price per device per month

B = Number of devices (to be provided by Buyer)

C = Number of days in contract period

## 8. Deduction and Termination

#	Service level agreement	Deduction for non-compliance
1	Non-availability of helpline/non-availability of support to log complaints during service window	Rs 500 per instance
2	Breakdown calls/technical faults not attended within time as specified in SLA (time to be calculated from the time after registration of complaint through call)	Rs 500 per instance
3	Non-replacement of devices within time as specified in SLA (time to be calculated from the time after registration of complaint)	Rs 1000 per hour per device
4	Failure to undertake preventive maintenance as specified in schedule	0.1% of contract value for every such occurrence

5	If the employee is found responsible for adopting illegal and foul methods or exercising any corrupt practice in collusion with any third party or officials at the workplace	Immediate replacement within 5 days. Beyond 5 days, cancellation of contract at the discretion of Buyer.
6	If cumulative deduction reaches 10% of the contract value	Termination of contract at the discretion of the Buyer

**Delivery Address & Release of Payment:** Chief Manager, IT Link Implementation, Baroda Bhavan, Urdu University Road, Telecom Nagar, Gachibowli, Hyderabad, Telangana – 500032.

The general terms and conditions for Annual Maintenance Contract of Cisco Network Hardware at various Branches / Offices in India will be as per Terms & Conditions of the RFP/Bid No. GEM/2023/B/3107437 dated 13<sup>th</sup> February 2023 and its subsequent Addendums. However, we attach herewith Annexure A stating salient features, Annexure B - Scope of Work and Annexure C - Cisco Hardware assets details.

Please arrange to send your acceptance of this Purchase Order at the earliest.

Yours faithfully,

**Susheel Nagpal**  
Asst. General Manager  
(IT Procurement)

Encl.:

- Annexure A - Salient features and Terms and Conditions
- Annexure B - Scope of Work
- Annexure C - Cisco Hardware Asset details

### Salient Features of the Terms & Conditions

The general terms and conditions of the contract for Annual Maintenance Contract (AMC) of Cisco Network Hardware at various Branches / Offices in India are as per terms & conditions of the RFP ref. no. GEM/2023/B/3107437 dated 13<sup>th</sup> February 2023 and all subsequent addendums. However we give below some of the salient features of the terms and conditions:

#### 1. Contract Period

This contract will be valid from 1<sup>st</sup> April 2023 to 31<sup>st</sup> December 2024. The contract will be deemed completed only when all the deliverables contracted by the Bank are delivered and accepted along with the associated documentation provided to Bank's employees; as per the requirements of the contract executed between the Bank and Connectivity IT Solutions Pvt Ltd. The Bank will have the right to renegotiate these prices at the end of the contract period.

#### 2. Payment Terms

Any deviation from the proposed payment terms would not be accepted. The Bank shall have the right to withhold any payment due to Connectivity IT Solutions Pvt Ltd, in case of delays or defaults on the part of Connectivity IT Solutions Pvt Ltd. Such withholding of payment shall not amount to a default on the part of the Bank.

The payment will be released as follows:

- AMC– Payable Half-yearly in advance against receipt of satisfactory service report of previous Half-year from the Bank's Project / Operation Manager.
  - Backline certificate for the entire AMC duration from Cisco is mandatory along with first invoice submitted for payment.

There shall be no escalation in the prices fixed and agreed to by the Bank and Connectivity IT Solutions Pvt Ltd. Payment will be released by IT Dept., BCC as per above payment terms on submission of mentioned supporting documents.

The Bank will pay invoices within a period of 30 days from the date of receipt of accepted invoices. Any dispute regarding the invoice will be communicated to Connectivity IT Solutions Pvt Ltd within 15 days from the date of receipt of the invoice. After the dispute is resolved, Bank shall make payment within 15 days from the date the dispute stands resolved

#### 3. Performance Bank Guarantee

Connectivity IT Solutions Pvt Ltd shall provide a Performance Guarantee within 30 days from the date of receipt of the order or signing of the contract whichever is earlier in the format as provided in RFP to the extent of 3% of the contract value for the entire period of the contract plus 3 months and such other extended period as the Bank may decide for due performance of the project obligations. The guarantee should be of that of a scheduled commercial bank only, other than Bank of Baroda. In the event of non-performance of obligation or failure to meet terms of this Purchase Order or subsequent agreement, the Bank shall be entitled to invoke the performance guarantee without notice or right of demur to Connectivity IT Solutions Pvt Ltd.

BCC:IT PROJ:115:173

18.04.2023  
Annexure-A

### Salient Features of the Terms & Conditions

The Bank reserves the right to recover any dues payable by Connectivity IT Solutions Pvt Ltd from any amount outstanding to the credit of Connectivity IT Solutions Pvt Ltd, including the pending bills and/or invoking Performance Guarantee, if any, under this contract.

If the Performance guarantee is not submitted within the stipulated time, the Bank reserves the right to cancel the order / contract and the earnest money deposit taken from Connectivity IT Solutions Pvt Ltd, will be forfeited.

### Scope of Work

Annexure-B

- handling rules issued by Ministry of Environment & Forests and other government agencies from time to time.
13. If any services, functions or responsibilities not specifically described in this scope but are an inherent, necessary or customary part of the services and are required for proper performance or provision of the services in accordance with the scope, they shall be deemed to be included within the scope of the services, as if such services, functions or responsibilities were specifically required and described in this scope and shall be provided by Connectivity IT Solutions Pvt Ltd at no additional cost to the Bank.
  14. The maintenance services will be comprehensive and will include cost of labor, faulty parts/complete equipment replacement of same or higher configuration etc.
  15. In case the requisite parts are not available, the same should be replaced with the parts of higher specifications compatible with the system.
  16. The engineer will not change the setting of any network hardware seeking the prior permission of the respective concerned designated officer of that Bank.
  17. In case, the system is not repairable at site it can be sent out of site under specified guidelines with returnable Gate Pass.
  18. The maintenance services may be required on nonworking days or beyond office hours on working days on some occasions to meet emergency situation. Connectivity IT Solutions Pvt Ltd shall ensure that on such occasion also the service of engineers is available.
  19. Connectivity IT Solutions Pvt Ltd will provide mapping of field engineer with Bank's Offices/ Administrative Offices and Branches.
  20. Connectivity IT Solutions Pvt Ltd has to provide a standby hardware of same or higher configuration in case of breakdown maintenance for on-site repair.
  21. In case field engineer / helpdesk is on leave, replacement standby engineer / helpdesk has to be provided without a delay.
  22. For closing a call field engineer need to take written confirmation from respective bank officials.
  23. Connectivity IT Solutions Pvt Ltd need to submit quarterly report of call logged, call closed and replaced equipment.
  24. Break-fix support of supplied Network Hardware.
  25. Connectivity IT Solutions Pvt Ltd has to provide Escalation Matrix and SPOC details for the service support for the entire project and ensure timely completion of all the activities as per the schedule.

BCC:IT PROJ:115:173

18.04.2023

**Scope of Work**

**Annexure-B**

26. To ensure that the installation & configuration of the Network Hardware are in line with the banks technical document.

**B. Resources required at our office, Mumbai / Hyderabad**

Connectivity IT Solutions Pvt Ltd has to provide resources at our Hyderabad Office. The seating arrangement for the resources will be provided by the Bank. The requirement of the resources would be as follows:

1. Minimum one resource is required for logging calls and providing online L1 support to the branches. (From 8 am to 8 pm on Bank working days)
2. The engineer should be a Diploma/graduate in relevant field with minimum 2 Years' technical experience in relevant field. The experience certificate should be produced by engineer for verification at the time of visit to bank office.
3. Penalty for onsite FMS Engineer-The FMS engineer should perform their duties satisfactorily as per the scope and duties mentioned. In case of non-performance by members, Connectivity IT Solutions Pvt Ltd has to replace the resource/s within 30 days of written communication about the same. Failure to replace the resource will attract penalty at 1000/- Week, maximum up to Rs. 5000/-. No pro rata basis will be applicable.
4. Failure in providing the resource as per manpower allocation will result in penalty at Rs. 1000/- per week or part, subject to a ceiling of Rs.10,000/-.
5. BOB Bank reserves the right to levy / waive off penalty considering various circumstances at that point in time.
6. In case of a call remain unresolved for more than 7-days or Bank's original IT equipment is not repaired (wherever standby IT equipment is provided) within 15 business days from the date standby was provided, bank reserves the right to get it repaired /hired/ replaced at its own and adjust the cost incurred towards the same in the payment due to Connectivity IT Solutions Pvt Ltd over and above penalty. However AMC will continue for such equipment.

### Service Levels

#### 1. Service Level for Branch Network Hardware during AMC Period.

Connectivity IT Solutions Pvt Ltd will have to guarantee a **minimum uptime of 99.9%**, calculated on a monthly basis (Network Uptime will be calculated for Individual Sites). The penalty will be calculated as per the details given below.

Uptime percentage	- 100% less Downtime Percentage
Downtime percentage	- Unavailable Time divided by Total Available Time, calculated on a monthly basis.
Total Available Time	- <b>8 hrs per day for six days a week (Sundays are excluded). In case in any month there are Bank holidays then the same also would be excluded.</b>
Unavailable Time	- Time involved while the network is inoperative or operates inconsistently or erratically due to network hardware.

Uptime Percentage	Penalty Details
A $\geq$ 99.9%	No Penalty
99.5% $\leq$ A < 99.9%	10% of the monthly product AMC cost
99% $\leq$ A < 99.5%	20% of the monthly product AMC cost
A < 99%	Penalty at an incremental rate of 10% (in addition to a base of 20%) of the monthly product AMC cost for every <u>0.5%</u> lower than the stipulated uptime

**Note:** SLA will not be applicable for the assets which are down between 8 PM to 8 AM.

The uptime percentage would be calculated on monthly basis and the calculated amount would be adjusted from every subsequent quarter payment. The SLA charges will be subject to an overall **penalty cap (during each quarter)** of 10% of the **total quarterly AMC cost** and thereafter, Bank has the discretion to cancel the contract. In case if there is no pending invoices to be paid by the Bank to Connectivity IT Solutions Pvt Ltd , Connectivity IT Solutions Pvt Ltd has to submit a pay order / cheque payable at Mumbai in favour of Bank of Baroda for the same within 15 days from the notice period from the Bank.

#### Availability Service Level Default

- Availability Service Level will be measured on a monthly basis for individual sites.
- A Service Level Default will occur when Connectivity IT Solutions Pvt Ltd fails to meet Minimum uptime (99.9%), as measured on a monthly basis.

\* Support package to be included for Branch Network Hardware support "Cisco

**2. Service Level for DC/DR Network Hardware during AMC Period.**

Connectivity IT Solutions Pvt Ltd will have to guarantee a **minimum uptime of 99.9%**, calculated on a monthly basis (Network Uptime will be calculated for Individual equipment) on 24x7x365. The penalty will be calculated as per the details given below.

<b>Uptime percentage</b>	- 100% less Downtime Percentage
<b>Downtime percentage</b>	- Unavailable Time divided by Total Available Time, calculated on a monthly basis.
<b>Total Available Time</b>	- 24 hrs per day for seven days a week.
<b>Unavailable Time</b>	- Time involved while the network is inoperative or operates inconsistently or erratically due to network hardware.

<b>Uptime Percentage</b>	<b>Penalty Details</b>
A $\geq$ 99.9%	No Penalty
99.5% $\leq$ A < 99.9%	10% of the monthly product AMC cost
99% $\leq$ A < 99.5%	20% of the monthly product AMC cost
A < 99%	Penalty at an incremental rate of 10% (in addition to a base of 20%) of the monthly product AMC cost for every <u>0.5%</u> lower than the stipulated uptime

**Note:** SLA will not be applicable for the assets which are down between 8 PM to 8 AM.

The uptime percentage would be calculated on monthly basis and the calculated amount would be adjusted from every subsequent quarter payment. The SLA charges will be subject to an overall **penalty cap (during each quarter)** of 10% of the **quarterly AMC cost of the down equipment** cost and thereafter, Bank has the discretion to cancel the contract. In case if there is no pending invoices to be paid by the Bank to Connectivity IT Solutions Pvt Ltd, Connectivity IT Solutions Pvt Ltd has to submit a pay order / cheque payable at Mumbai in favour of Bank of Baroda for the same within 15 days from the notice period from the Bank.

**Availability Service Level Default**

- Availability Service Level will be measured on a monthly basis for individual sites.
- A Service Level Default will occur when Connectivity IT Solutions Pvt Ltd fails to meet Minimum uptime (99.9%), as measured on a monthly basis.

SLA report for hardware Equipment needs to be submitted on quarterly basis within 15 days of the beginning of next quarter.

\* **Support package to be included for DC/DR Network Hardware AMC "Cisco Smartnet Total Care Premium"**
